2 V 2 + 2 RONDO

ORGANISATION

- This 2 v 2 + 2 rondo takes place in a 10 by 15-yard area, with three teams of two players rotating roles throughout the practice.
- The Pink team serves as neutral players, maintaining possession and supporting the team in possession, while the light blue and dark blue teams compete to earn points.
- The objective for the attacking team is to combine effectively around the perimeter of the area, using quick passing and movement to evade the pressing defenders and make 10 passes to score a goal.
- If the defending team wins possession, they must dribble out of the area before the outside players can regain the ball, earning their team a point.

KEY COACHING POINTS SUMMARY

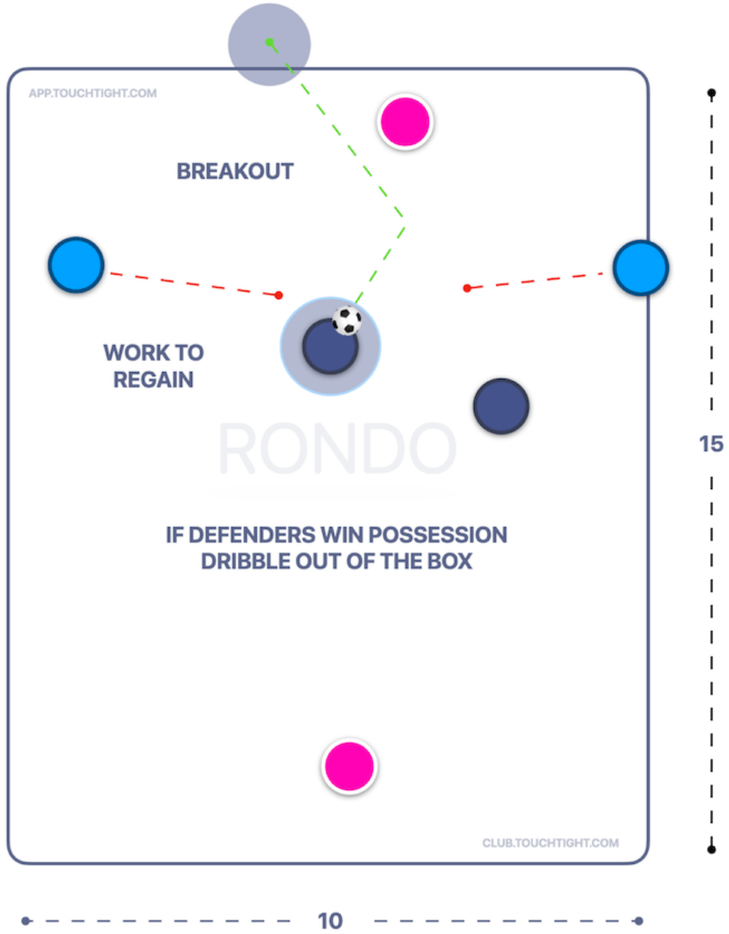

- Work as a pair to force direction and anticipate passes
- High levels of communication when defending to close spaces
- Passing weight and accuracy
- If the defenders stay compact - play around the press
- If the defenders are split apart - play a penetrating pass through

KEY COACHING POINT

If the defenders win possession, their objective is to dribble out of the box to earn a point. The team that lost possession must react quickly to press to reagin to stop the player from breaking out the box.

PROGRESSION

If your team loses the ball, you become the defending team. Quick transitions are key here, after losing the ball, players must work together to press and regain the ball to become the possession team.
